

## Emotion Transcript with Audio Analysis

It's a very powerful concept here. [mixed]

Most of us in society only think about our visual image. [mixed]

How do I appear? [mixed]

That is only one part of the game. [mixed]

Have you thought about vocal image? [mixed]

That is far more important than visual image. [mixed]

Visual image, I can buy this shirt. [mixed]

I can buy this pants. [mixed]

I can buy the belt. [mixed]

I can buy the bow tie. [mixed]

You can't buy your vocal image. [mixed]

That is earned. [mixed]

They're making perceptions about you the moment you open your mouth. [mixed]

Whether you are confident, whether you are capable about what you're doing, whether you are sure about what you're recommending me, whether you believe in it is all in your voice. [mixed]
